## **Anticoagulant Citrate Dextrose USP Formula A 1000 mL Availability Update**

Dear Valued Customer,

<b>Fresenius Kabi Product Code</b>	<b>DIN</b>	<b>Product Description</b>
C4B7891X	00788139	Anticoagulant Citrate Dextrose USP Formula A 1000 mL

Fresenius Kabi Canada is pleased to inform you that a small quantity of **Anticoagulant Citrate Dextrose USP Formula A 1000 mL** has become available. Open orders placed in Sep and Oct 2024 have been partially filled with 30 days supply based on historical monthly demand.

Given the unprecedented impact of Hurricane Helene on the supplier plant, we anticipate continued supply interruption on **Anticoagulant Citrate Dextrose USP Formula A 1000 mL** in the coming months. We are working day-by-day to understand availability and make quantities available to the Canadian market. We expect to provide a further update within the next 2 weeks.

We recognize the difficulties and inconvenience that you may encounter as a result of our supply interruption, and we thank you for your patience and understanding in this matter.

If you have any questions or concerns, please do not hesitate to contact myself.

Sincerely,

Lynne Ross  
Senior Director, MedTech  
Fresenius Kabi Canada
