

# Frebini Energy Drink

## Maximising your child's oral nutritional intake

This leaflet will answer some of the questions you may have about Frebini Energy Drink. If you have any other questions, you should contact your Dietitian or Doctor.

### What is Frebini Energy Drink?

Frebini Energy Drink is a special nutritious drink for young people who are unwell and cannot manage enough normal food to meet their nutritional requirements.

### What does Frebini Energy Drink contain?

Frebini Energy Drink is made up of many nutrients that are essential in a healthy, balanced diet. These include protein, fats, carbohydrates, vitamins, minerals and trace elements. Frebini Energy Drink is also gluten and lactose free.

### What flavours are available?

There are two delicious flavours to choose from:

### How much Frebini Energy Drink should I take?

Your Dietitian or Doctor will advise you about the amount you should be taking. As a guide, for supplementary nutrition: 1-3 bottles/ day will provide between 300-900kcal and between 8-23 g protein per day.

### When should I take Frebini Energy Drink?

This is really up to you. However, you may be advised to take it in between meals and in the evening so you can manage to eat normal meals as well. Many people like to sip Frebini Energy Drink rather than drink it all at once.

### How should I take Frebini Energy Drink?

Frebini Energy Drink is best taken as a chilled drink, either straight from the bottle or poured into a glass. It is recommended that it is stored in the fridge before serving. Frebini Energy Drink can also be served warm (do not boil). Gently heat in a saucepan for 4 minutes or pour into a microwave container and heat on medium for 1 minute or until warm.

### How should I store Frebini Energy Drink?

Store in a cool place, do not store above 25°C. Once opened, can be stored in a refrigerator for up to 24 hours. It must not be used after the expiry date. Shake well before use. Drink slowly.

# What about recipe ideas for Frebini Energy Drink?

Frebini Energy Drink can be used in a wide variety of foods, drinks and smoothies. A recipe book is available on request. Here are a few simple suggestions:

#### Frebini Energy Drink Ideas:

- Add ice cream to Frebini Energy Drink and serve as a thick milkshake.

#### Frebini Energy Drink Breakfast Ideas:

- Gently warm Frebini Energy Drink (banana) in a saucepan. Pour over 2 Weetabix and add sugar, or honey to taste if desired.

#### Frebini Energy Drink Ice Cream:

- Decant into a suitable container for freezing and serve as an ice cream.
