CompoVision: real-time and offline data visualization
for CompoMat® G5, CompoDock®, and CompoGuard®

**FRESENIUS
KABI**

caring for life

CompoVision Progress in sight

- Unique data visualization, in real time as well as offline
- Customer-friendly opportunity to easily track different processes
- Support in the post-processing (e.g., evaluation, reporting)
- Shows and confirms reliability and efficiency of the devices

Introducing
CompoVision

Data visualization
for **CompoMat® G5**

Data visualization
for **CompoDock®**

Data visualization
for **CompoGuard®**

Benefits of the
new **CompoGuard®**

CompoVision

Making efficiency visible

CompoVision underlines the strong performance of the Fresenius Kabi devices by visualizing processes in real time.

Customer's view:

"I've been relying on CompoGuard® for a long time. The new CompoVision software has confirmed my trust. Now I can see results instantly. That enables me to react quickly and optimize processes if necessary."

Dr. P. H., MD, Curitiba, Brazil
